

Digital Ministry Policy

Purpose

El Roi Digital Ministries uses digital platforms to proclaim the Gospel of Jesus Christ, provide biblical teaching, and distribute Christian resources worldwide.

This policy establishes guidelines for the responsible use of digital technology in furtherance of the ministry's mission.

Scope

This policy applies to:

- staff
- volunteers
- ministry leaders
- contractors
- anyone producing content on behalf of El Roi Digital Ministries

Digital Platforms

The ministry may distribute content through:

- websites
- social media
- video platforms
- podcasts
- mobile applications
- email newsletters
- digital publications
- online education platforms

All digital activity should support the mission of spreading the Gospel and providing biblical teaching.

Content Standards

Digital Ministry Policy

All digital content published by El Roi Digital Ministries should:

- align with biblical teaching
- reflect Christian integrity and compassion
- avoid divisive, harmful, or abusive language
- respect copyright laws and intellectual property
- represent the ministry accurately and truthfully

Content must not misrepresent scripture or intentionally spread misinformation.

Oversight

The **Executive Director** and the **Board of Directors** maintain final authority over official ministry communications and digital resources.

Adoption

This policy was reviewed and approved by the Board of Directors through electronic approval in the official Board Portal.

The finalized approval record is maintained electronically.
